BUYER SUPPORT

PLAN YOUR ORDER.

Start with the required model, quantity, destination market and sales channel. Confirm the exact product and order configuration before production.

01 **Samples**

Samples are charged. Sample fees can be credited under the conditions confirmed in your quotation.

02 **Minimum order quantities**

MOQ is confirmed for each model. Mixed-model orders are supported, with the MOQ for each model still applying.

03 **Payment**

T/T: 30% down payment, 70% against a copy of the bill of lading.

04 **Production and shipment**

Production is usually 30 days after sample and packaging approval. Final schedule and FOB port are confirmed with the quotation.

05 **After-sales support**

One-year warranty under normal use. Repair parts are supplied free for normal-use faults; newly received units that cannot start are replaced free. DUPOW covers shipping of these parts or replacements.

06 **Battery and kit selection**

Voltage alone does not establish battery compatibility. Confirm the exact battery interface, battery, charger, accessories and packing for the selected model.
